FROM THE ARCHITECTURAL CONTROL COMMITTEE

One of our Goals is to maintain quality standards in accordance with our COVENANTS AND RULES AND REGULATIONS assuring compliance of occupants in Victoria Village and one way is through INSPECTIONS WHICH WILL BE CONDUCTED TWICE MONTHLY NOTING INFRACTIONS AND TAKING ACTION TO HAVE THESE CORRECTED IN A TIMELY MANER AND BEFORE OUR NEXT INSPECTION. THESE INFRACTIONS WILL BE POSTED IMMEDIATELY FOR THOSE RESPONSIBLE FOR REMEDYING IT.

Some of our major concerns are:

PATIO UP KEEP/CLEANNES
